PROFILE

I'm a frontend developer with extensive experience in graphic design.

Creativity and analytics are equally important parts of everything I have done in my career.

I also have extensive experience in communication and cooperation with people. It is a pleasure to share ideas and look for solutions with the creative-minded. I enjoy learning and gathering new knowledge and with the same enjoyment, I share the knowledge I have.

EXPERIENCE

2018 – Present

FRONTEND DEVELOPER | GRAPHIC DESIGNER | MARKETING MANAGER

Aqua Lines | Kosjeric, Serbia
